MEMORANDUM FOR: DIRECTOR, CENTRAL INTELLIGENCE AGENCY

SUBJECT: Possible Shipment of Arms to Israel (U)

1. Information has been received from a confidential source whose name and address have been furnished to Security Division, ACSI and to Federal Bureau of Investigation, to the effect that one Walter S. Gabler, associated with the Yemen Oil Exploration, who works for George Allen and Victor Emanuel, has been offering 20,000 Garrand M-1 rifles for sale. Israel reportedly has an option to purchase these rifles at \$97.50 each. These rifles are new, only test rounds having been fired from them. It is further reported that an unlimited amount of ammunition is available. These rifles are crated for export in boxes of 25 each and presently are being held in New York; possibly at the following address:

W. J. Kappel
Petroleum Machine Corporation
(Office Address: 30 Rockefeller Plaza).

It is believed that Kappel has or knows who may have these rifles. It is possible that they may be located in the Petroleum Machine Corporation warehouse.

2. Additional information has been received alleging that 200-300 M-8 armored cars (SNL-G1-136) have been sold to the State of Israel at a price of approximately \$6,500 each and are being shipped from the United States to France. According to the informant, it has been further reported that guns for these M-8's will be shipped to France or some other European country where they will be mounted and the units transshipped to Israel.

3. Credibility rating - C-3.
